SUMMARY

Student of the Department of Computer Science & Engineering, recently graduated. Served as Coordinator, Trainer, and Mentor at the IIUC Competitive Programming Society (IIUCCPS) for over 2 years, and worked as a Teaching Assistant for more than 2 years. Passionate about skill development, teaching, and continuous learning, with aspirations to become a proficient software developer.

SKILLS :

- ❖ **Technical Skills:** Problem Solving, C, C++, C#, Python, JavaScript, HTML, CSS, ASP .NET Core , Flask, MySQL, Git, GitHub, Tensorflow, Machine Learning, Image Processing, Computer Vision , NLP .
- ❖ **Additional Skills:** Public Speaking, Teaching, Team Collaboration, Communication , Content Creation and Writing.
- ❖ **Languages:** Bangla, English, Hindi

EDUCATION :

- ❖ **B.Sc in CSE** , International Islamic University Chittagong (IIUC), Chittagong
CGPA: 3.642
Thesis Title : Lesion-Focused Deep Learning Framework for Diabetic Retinopathy Grading Using Morphological Decomposition: A Comparative Study with Discrete Wavelet Transform
- ❖ **Higher Secondary Certificate (HSC)** , Bangladesh Navy School and College

SOME OF MY PROJECTS :

- ❖ **Page Fault Simulator for Operating Systems :** A web-based tool to simulate and visualize page fault handling in operating systems. Built using HTML, CSS, JavaScript.
<https://github.com/Baizid019/OS-Project-Page-Fault>
- ❖ **Phishing, Malware & Defacement URL Checker:** Developed a computer security project using a dataset of over 600,000 URLs. Implemented machine learning models and cryptographic techniques (RSA, secure hashing) with a web interface built on HTML, CSS, and Flask. <https://github.com/Baizid019/phishing-malware-defacement-checker>
- ❖ **Numerical Method Solver for Non-Linear Equations :** Developed a web-based tool to solve non-linear equations using numerical methods. Built with HTML, CSS, Bootstrap, and JavaScript for a responsive and interactive user interface.
<https://github.com/Baizid019/Numerical-Method-Solution-of-Non-Linear-Equation->
- ❖ **Lung Cancer Prediction System:** Developed a machine learning-based web application to predict lung cancer risk using a dataset of over 1,000 patient records. Implemented with Flask, HTML, CSS, and JavaScript for the frontend, and integrated machine learning models for accurate predictions.
<https://github.com/Baizid019/Machine-Learning-Project-Lung-Cancer-Prediction-System>
- ❖ My portfolio project for the **EDGE Digital Skills Training Program for Students**.
<https://github.com/Baizid019/Edge-Laravel-Project>

EXPERIENCE :

- ❖ Teaching Assistant (Over 1.5 Years)
Assisted courses include C Programming, Python Programming, DBMS, Operating Systems, Compiler Design, Computer Graphics, and Image Processing.
- ❖ Served as Coordinator, Mentor (mentored 40+ students), and Trainer (trained 50+ students) at IIUC Competitive Programming Society.
- ❖ Done Workshop on Professional Development organized by IIUC Business Club
- ❖ Done Workshop on App Development Crash Course organized by IEEE CS
- ❖ Done PHP , Laravel From Edge Digital Skills Training.
- ❖ Participated in Onsite Project showcase at AUST organized by AUST IDC
- ❖ Participated in an Onsite Hackathon at CU organized by CUSS .
- ❖ Participated in Onsite AI Hackathon at Brainstation 23 organized by Poridhi.
- ❖ Participated in ICPC Preliminary , IUPC (at IIUC , PU)
- ❖ Participated in Many Idea Generation & Business Competition (HULT Prize , bdapps etc)
- ❖ Communication Masterclass By 10 Min School

ACHIEVEMENT AND RANKINGS :

- ❖ Solved over 1300 problems on various online judges and participated in more than 100 contests.
- ❖ Codeforces Pupil (1218) , Handle : [Kamruzzaman](#)
- ❖ 1st Runner up of Hult Prize on Campus Round
- ❖ Best Performer , IIUC Competitive Programming Society (Spring 22)
- ❖ Best Mentor , IIUCCPS (A23 & SP24)
- ❖ Some Programming Contest Achievements
 - Team Contest 01: Beginner Autumn 2022 By IIUCCPS – Onsite Contest, 19/08/2022, Vjudge, Rank 2
 - IIUC Intra University Programming Contest 2022 – Onsite Contest, 18/11/2022, TopH, Rank 16
 - IIUC Inter University (Divisional) 2023 – Onsite Contest, 23/09/2023, TopH, Rank 35
 - ICPC Asia Dhaka Regional Preliminary 2023 – Online Contest, 13/10/2023, Codemarshal, Rank 191, [Link](#)
 - PU CSE IT FEST 2024 (Divisional) – Onsite Contest, 27/01/2024, PC2, Rank 42

EXTRA CURRICULAR ACTIVITY :

- ❖ Create project-related videos, academic tutorials, and programming-focused content.[Link](#)
- ❖ Writer , Lead Distribution and Public Relation Manager at Qaasas As Salam ,
